A PAYING CROWD THAT CHOOSES TO BE THERE

Gate admission is R40 for adults and R30 for children under 12 — a hall full of families, alumni, scouts and young players who came specifically for the basketball. Your brand sits in front of an engaged, local audience for three full days, on court, on stream and online.

SECURE YOUR PACKAGE

Packages are confirmed on a first come, first served basis and close two weeks before tip-off so artwork can be produced. Custom partnerships are welcome — tell us what matters to your brand and we will shape a package around it, on court and beyond December.
